PROVIDING FOR THE ADJUSTMENT OF CERTAIN FEDERAL ANNUITY COMPUTATIONS

Mr. ALLEN. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of H.R. 978, which is at the desk.

The PRESIDING OFFICER. The clerk will report the bill by title.

The assistant legislative clerk read as follows:

A bill (H.R. 978) to amend chapter 84 of title 5, United States Code, to provide that certain Federal annuity computations are adjusted by 1 percentage point relating to periods of receiving disability payments, and for other purposes.

There being no objection, the Senate proceeded to consider the bill.

Mr. ALLEN. Mr. President, I ask unanimous consent that the bill be read the third time and passed, the motion to reconsider be laid upon the table, and that any statements relating to the bill be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (H.R. 978) was read the third time and passed.

Mr. ALLEN. Mr. President, it is altogether fitting that we have finally accomplished this idea on the second anniversary of the violent and dastardly attacks of September 11, 2001. Several survivors of that tragic day helped inspire this legislation, which will adjust Federal employees' retirement computations to offset reductions in the retirement amounts arising from on-the-job injuries covered under the workers compensation program.

I thank my colleague, JOHN WARNER of Virginia, for cosponsoring the measure. I particularly thank Kay Cole James in the Office of Personnel Management and her staff for working with me on this measure for well over a year now. Moreover, I wish to thank my colleague, Senator SUSAN COLLINS of Maine, whose leadership today, earlier this year, and last year helped move this measure several times through the procedural hoops of the Senate. Finally, we have gotten it passed on the House side.

Mr. President, this bill addresses a problem in the retirement program for Federal employees that has been recognized for a long time but unresolved since 1986, when the current retirement system was established. Unfortunately, complications arising from the Tax Code and the Workers Rehabilitation Act of 1973 have blocked any solution.

My resolve to introduce this bill and address this problem was inspired by Ms. Louise Kurtz, a Federal employee from Virginia who was severely injured in the September 11 attack, 2 years ago today, on the Pentagon. She worked at the Pentagon as a civil service employee. She suffered burns from the impact of American Airlines Flight 77, but even with all these burns, she still was trying to rescue and help others get out. She suffered burns on over 70 percent of her body. I have seen her several times. In fact, I saw her last year, at the Project Phoenix, the re-opening and dedication of the Pentagon. She had no fingers left—just little nubs, really. Her ears were mostly burned off as well. She is a person, though, who continues to endure these painful surgeries and faces other surgeries in the future. She wants to continue with her rehabilitation. She still hopes to return to work someday.

Current law, however, does not allow Mrs. Kurtz to contribute to her retirement program while she is recuperating and receiving workers compensation disability payments. As a result, after returning to work and eventually retiring, she will find herself inadequately prepared and unable to afford to retire because of the lack of contributions during her recuperation and rehabilitation.

As Mrs. Kurtz's situation reveals, Federal employees under the Federal employees retirement system who have sustained an on-the-job injury and are

receiving disability compensation from the Department of Labor's Office of Workers Compensation Programs are unable to make contributions or payments into Social Security or the Thrift Savings Plan. Therefore, under the current situation, which is being changed by this law, future retirement benefits from both sources—the Thrift Savings Plan and Social Security—are reduced.

This legislation offsets the reductions in Social Security and the Thrift Savings Plan retirement benefits by increasing the Federal Employees Retirement System's direct benefit calculation by 1 percentage point for the extended periods of disability.

Mr. President, you have probably already heard my talk about this bill because we have actually passed this measure twice in the Senate. We passed it once on October 17, 2002, and then again in July of this year, 2003. As a lead sponsor of the bill, I was pleased to see that my colleague on the House side, Congresswoman JO ANN DAVIS, with her persistence, finally got the House of Representatives to pass this measure yesterday. By taking this matter up and passing it in the Senate today, we are clearing it for the President's signature.

The passage of this bill ensures that the pensions of our hard-working Federal employees will be kept whole during a period of injury and recuperation, especially now that many of them are on the front lines in protecting our homeland security in this new and ongoing war against terror. By protecting the retirement security of injured Federal employees, we have provided an incentive for them to return to work and increased our ability to retain our most dedicated and experienced Federal workers. This is a reasonable and fair approach, in which the whole Senate acted in a logical and compassionate manner last fall, and, of course, we did so in July, and we have done so again today.

On the second anniversary of the attacks on the World Trade Center, the Pentagon, and Flight 93, which crashed in Pennsylvania after the brave efforts of those passengers, I thank my colleagues for once again passing this compassionate legislation honoring and helping some of the survivors of these horrific events.

I yield the floor and suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The assistant legislative clerk proceeded to call the roll.

Mr. FRIST. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.
